

PROJECTS

New Zealand

Auckland CBD

Auckland's ambitious Streetscape Upgrade Programme, initiated well in advance of the 2011 Rugby World Cup, nominated HUB as the preferred designer and supplier of street furniture to Auckland City Council from its commencement. Since then, working with a number of New Zealand's best landscape architects, HUB has continued to supply world class street furniture and multi-functional poles to the many exciting projects being undertaken in Auckland.

CLIENT
Auckland City Council

HUB ROLE
Design and supply of a custom suite of furniture and customised HUB.Pole for Auckland City Council
